

Grammar and Vocabulary

5. Match who plans to do what according to what Professor Samuels says.

- | | | |
|---|--------------------------|---|
| a. More African states are going to | <input type="checkbox"/> | create conservation programs. |
| b. People all over Africa are going to | <input type="checkbox"/> | make donations to the CWA. |
| c. Chinese citizens are going to | <input type="checkbox"/> | create laws in order to protect elephants from hunting. |
| d. The CWF is going to | <input type="checkbox"/> | use the contributions to build more panda reserves. |
| e. Governments from countries like India, Nepal and Pakistan are going to | <input type="checkbox"/> | make campaigns to respect the areas where elephants live. |

The future with Be + going to

We use it to talk about plans and intentions.

I'm going to travel to the natural reserve next week. (plan)

Chinese people are going to make donations to protect giant pandas. (intention)

Reflect on Grammar
