

# Language in Context

4. Pedro and Mary are talking online. Listen and check (✓) the pictures that describe the decisions Pedro makes about his trip to Florida.

5. Listen again and make sentences about Pedro's decisions.

- ◆ Don't go alone to the beach. There are many strangers.
- ▲ Don't eat too much food in the street. You can get sick.
- Take a lot of money with you. Everything is very expensive in Florida.
- Don't forget me, OK? Write to me or give me a call.

◆ Then, I think I'll

▲ \_\_\_\_\_

● \_\_\_\_\_

● \_\_\_\_\_

## Pronunciation

///

Say:

- |        |         |
|--------|---------|
| I'll   | She'll  |
| You'll | We'll   |
| He'll  | They'll |

Now, complete.

- \_\_\_\_\_ call you.
- \_\_\_\_\_ take some snacks.
- \_\_\_\_\_ be OK in Florida.
- \_\_\_\_\_ study together.

6. Read and complete with *will* or the Present Progressive Tense. Then, listen and check your answers.

- a. A: Oh, no! My iPod doesn't work.  
B: Don't worry. We \_\_\_\_\_ (take) it to the repair shop right now.
- b. A: Fiona \_\_\_\_\_ (give) a presentation on computers next Thursday.  
B: Really? Then, we \_\_\_\_\_ (go) to see her. I think she \_\_\_\_\_ (do) fine.
- c. A: Phil and Dave \_\_\_\_\_ (take) a course on website design next week.  
B: What a coincidence! I \_\_\_\_\_ (start) the same course next week, too.
- d. A: I \_\_\_\_\_ (email) all my friends tonight. I want to invite them to my party.  
B: Then I \_\_\_\_\_ (not visit) you because you will be busy.

7. In pairs, talk about plans and make decisions. Use the information in the box.

I'm studying for the test next Friday at 1:00 PM. Will you study with me?

Sure! I'll go to your house at 1:00. I'll take some snacks.

- See a play at 4:00 PM.
- Take the cat to the vet in the morning.
- Go to a videogame fair tomorrow.
- Travel to Margarita Islands next year.
- Your examples.

## Project Stage 2

- Based on your research, write the advantages and disadvantages of the invention or technological innovation you chose. Examples:
  - Thanks to eco-cars, people won't have to spend money on gasoline.
  - Unfortunately, some eco-cars will be very slow.
