

Grammar and Vocabulary

3. Complete with the correct form of the verb to be. See the examples.

- a. I _____ not a professional soccer player.
- b. _____ he in sixth grade?
- c. We _____ in the park.
- d. You _____ from Italy.
- e. He _____ not the English teacher.

- f. _____ they at school now?
- g. You _____ not in seventh grade.
- h. _____ Friday the last day of the week?
- i. She _____ not the first student in the class.
- j. I _____ ten years old.

4. Listen and write the months of the year and the missing ordinal numbers.

Pronunciation

Say: /θ/
 - **third**, **fourth**, **fifth**,
sixth, **seventh**.
 - **Thursday** is the **fourth**
 day of the week.

Vocabulary Strategy

Learn the correspondences between symbols and sounds to spell and pronounce words more easily.

5. Find out and write the correct dates under the celebrations.

| | | |
|--|---------------------|------------------------|
| Valentine's Day <i>It's on February 14th.</i> | Teacher's Day _____ | Earth Day _____ |
| Christmas _____ | Women's Day _____ | St Patrick's Day _____ |
| Labor Day _____ | Your Birthday _____ | New Year's Eve _____ |

Reflect on Grammar

- We use **in** to refer to the months of the year. Example: *Independence Day is in July.*
- We use **on** to refer to dates. Example: *My birthday is on April 7th.*

6. Practice! Work with a partner.

When is Valentine's Day?

Valentine's Day is **in** February. It's **on** February the fourteenth.

Project Stage 4

- Select 10 people to apply your survey to.
- Introduce yourselves: "Hi! Can we have a chat?" Then, apply the survey (make sure the tape recorder and the batteries work well).
- In your form, include the date. Example: *March 6th.*
